

Let's Talk

Dear Administrator,

It isn't everyday that you have the opportunity to work with a company that focuses on your needs, explains your options clearly, and works closely with you to develop a solution that best meets the needs of your specific facility and residents.

At American TechCorp, that's exactly what we do. We understand that you have more than one option when it comes to providing Television services to your residents. It is our goal to earn your business by providing you with cost effective options, quality products, and stellar customer service. We have operated this way for over 25 years.

Our systems offer:

- F**lexible Channel Line-ups
- R**eliable system performance
- E**xpandable system architecture
- E**xcellent picture quality

- S**pecial Community Information Channel
- A**ccess to a wide range of programming
- V**alue oriented pricing
- E**xisting Cable infrastructure can be used

So let's talk. The process is simple. You can either fill out the enclosed facility survey form and Fax it to 253-682-1099 or give us a call at 800-404-8324. After we have some basic information we can work up a proposal based on your needs. After you receive the proposal, we will be happy to answer any questions you may have, or modify the proposal as necessary. You then have the information you need to determine how our services can most benefit your facility or residents.

It's pretty simple. There is no obligation, no hard-sell tactics, no arm-twisting. You can ask as many questions as necessary and we will provide the expert advice you are looking for.

*****SPECIAL SPRING/SUMMER BONUS*****

When we talk, make sure you ask about the very special Bonus we have for each new client that purchases and activates a Private Cable System from American TechCorp by June 30, 2010.

If you could have a better TV experience for your residents, work with a company committed to excellence with a reputation of providing unmatched customer service, AND save 20-50% over your existing cable bill, **would you quit reading this letter and grab your phone or send the survey?**

Feel free to contact us via telephone at 1-800-404-TECH (8324) or by email at info@americantechcorp.com, if we can assist you further. You may Fax your Survey form to 253-682-1099.

Best Regards,

The American TechCorp Team
